

Leibniz  
Universität  
Hannover

The Institute of Analysis invites applications for a position as

## Research Assistant (f/m) (Salary Scale 13 TV-L FwN, 75 %)

to be appointed as soon as possible. The position is initially limited to 2 years.

### Responsibilities and duties

The duties of this position encompass quality teaching in the area of mathematics, assistance with examinations and active contributions to the research projects of the institute. This position should serve the applicant as an opportunity for a further academic qualification (e.g. Promotion).

### Employment conditions

Applicants should hold a university degree (Diploma/Master) in mathematics and be qualified for independent research. A solid background in the areas of microlocal and global analysis is expected.

As an equal opportunities employer, Leibniz Universität Hannover intends to promote women and men in the context of statutory requirements. For this reason suitably qualified women are specifically invited to apply. Equally qualified applicants with disabilities will be given preferential treatment.

For further information, please contact Professor Dr. Elmar Schrohe  
(Email: [schrohe@math.uni-hannover.de](mailto:schrohe@math.uni-hannover.de)), who will be pleased to assist.

Please send your application including CV and a description of your research interests compiled in a single pdf document until March 18, 2018 to

Email: [sekretariat-b@math.uni-hannover.de](mailto:sekretariat-b@math.uni-hannover.de)

In addition, please arrange for two letters of recommendation to be sent by email to the same address. Late applications will be considered until the position is filled.
