

HACK THE ALPS 2020

IOT IN THE MOUNTAINS

WHAT

**The unique hackathon
in Europe**

WHEN

July 3rd-5th, 2020

WHERE

**At the top of the mountain in
the Dolomites - Kronplatz**

With a magnificent 360° view at an altitude of 2275m!

PARTICIPANTS

Are you a passionate software developer and interested in having fun in the nature while working with like-minded people?

COMPANIES

Are you looking for highly skilled and motivated software developers? This is the right event to get in touch with bright minds.

LOCATION

Fly to the hackathon using a ropeway where Restaurant Kron spoils you with tasty food. Enjoy the night sleeping under the sky full of stars.

THE TEAM

The HackTheAlps team consists of a group of young and passionate software developers which organize this special hackathon in the hearth of the alps.
