

**Become part of a unique global network for  
intercultural empowerment and action!**

# Melton Foundation

*Deep collaborations. Powerful actions.*

**The Melton Fellowship invests in young people from across the world who exhibit leadership in their local spheres. We bring these young people together to explore the global repercussions of local problems first hand & to equip them with skills & tools to drive change together, with their global peers & in their local communities.**

***Join the Melton Fellowship & embark on a  
life-changing global citizenship journey!***

**APPLY NOW!**

***Application Deadline:  
15th January 2023***
